

HISTORY:

Concordia Lutheran Preschool opened its doors to our first students in September of 1985. We now have three Preschool classes, morning and afternoon Pre-Kindergarten classes, a half-day Transition to Kindergarten class and a full-day Kindergarten class.

PURPOSE:

Concordia Lutheran School provides a Christ centered learning experience, which will help each child build a positive relationship with God, with others, and with him/herself. The school provides a developmentally appropriate program where each child can grow spiritually, socially, emotionally, physically, and academically in a safe, secure environment. Kind, caring adults provide positive, loving role models of respect and morality.
